

CALL FOR APPLICATIONS FOR THE AWARD OF RESEARCH FELLOWSHIPS
Regulation on Research Fellowships pursuant to Italian Law no. 240/2010
Politecnico di Bari, issued by Rectoral Decree no. 252 of 05/07/2016

Rectoral Decree n. 1600/2024

Purpose

Applications are invited for the selection running at: Department of mechanics, mathematics, and management of the Politecnico di Bari, for the award of:

-n. 1 post doctoral grant research fellowship, for the execution of research activities within the project entitled: *"Exploring Contact Mechanics of Viscoelastic Materials with Interfacial Adhesion"*, according to the annexed Activity Programme:

"The study of contact mechanics in viscoelastic materials, especially with adhesion at the interface, is crucial for engineering advancements. Viscoelastic materials, known for their time-dependent deformation, combine flexibility, damping, and durability, making them essential in cutting-edge technologies. Adhesion at the interface adds complexity, impacting performance and durability in practical applications. This research explores the interplay between viscoelastic behaviour and adhesion during contact events through advanced models and experiments. It examines phenomena like energy dissipation, contact hysteresis, and surface adaptation to deepen understanding under various conditions. The findings are pivotal for engineering applications, such as soft robotics, where tailored adhesion supports precise object handling, and in designing actuators, sensors, wear-resistant coatings, prosthetics, and efficient seals. By connecting theory and practice, this work advances knowledge of viscoelastic adhesion mechanics and drives innovation in diverse technologies".

The call for applications for the research fellowship issued pursuant to the University Regulation issued by Rectoral Decree (D.R.) no. 252/2016.

The activities shall be carried out under the supervision of a tutor, Scientific Manager Prof. Giuseppe Carbone in a non-subordinate relationship with no set working hours..

The main place of work will be: Department of mechanics, mathematics, and management of the Politecnico di Bari, via Orabona,4, BARI, ITALY
